DETAILED ACTION

Drawings

1. The drawings are objected to as failing to comply with 37 CFR 1.84(p)(5) because they include the following reference character(s) not mentioned in the description: 48. Corrected drawing sheets, or amendment to the specification to add the reference character(s) in the description, are required in reply to the Office action to avoid abandonment of the application. Any amended replacement drawing sheet should include all of the figures appearing on the immediate prior version of the sheet, even if only one figure is being amended. The replacement sheet(s) should be labeled "Replacement Sheet" in the page header (as per 37 CFR 1.84(c)) so as not to obstruct any portion of the drawing figures. If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.

Allowable Subject Matter

2. Claims 29, and 34-45 are allowed.

The following is a statement of reasons for the indication of allowable subject matter:

Re to claim 29, the independent claim includes "a voice sensing means for determining the activity level of a user" in combination with the remaining claim limitation is not taught and/or made obvious by prior art. Teller et al. discloses an armband sensor device (400) used to monitor health that includes a LCD display, a heat sensor, and GSR sensors. Teller et al. does not include a voice sensing means.

Re to claims 34 and 41, the independent claim includes "correlating the resting metabolic rate with the activity metabolic rate to determine the metabolic correction
